

THE SCOPE® Expandable Repair Joint

Call it a pipe stretcher if you'd like. We call it The Scope®—the new, safe solution for quicker and easier repairs and main extensions, exclusively from Continental!

The innovative design of The Scope® compresses to fit a removed section of piping. **J u s t** put it in place and extend it for the final connection—with the versatility of Con-Stab I.D. Seal® fittings, or butt fused joints.

Think of it! You can now enjoy great savings in time, labor and money with

each repair, while delivering a greater margin of safety for installers and long-term reliable service!

ID Seal Stab Fitting

Butt Fusion

Plus, The Scope® features even more: Telescoping action affords a larger margin of error on cut outs. You

excavate less. And with its durable all-plastic construction, you don't need cathodic protection.

Most of all, The Scope® is safe and reliable. It meets or exceeds ASTM and DOT requirements. It's designed to operate at the MAOP of any PE piping system. And it comes pre-air tested to allow complete compliance and documentation of every repair.

Available in a variety of sizes. Contact Continental today for more information about The Scope®—the closest thing to a pipe stretcher you'll ever find.

THE SCOPE® Expandable Repair Couplings
